11/22/82 - 10PM

Dear Harold,

Busy, busy here - Last night from midnight to 4 AM, Groden and Gary Mack did WABC radio show. I called Bob earlier & then called on show for 20 minutes re HSCOA Coverup. Dynamite show. When I read CIA document #113 re "Oswald sent to Russia to marry a Russian girl under CIA instructions" they and host Alan Colmes said they wanted a copy so Anita made them today & I sent them out. Also, tonight Groden does 2 hour show at midnight on WBAB-FM from Babylon, L.I. I'll tape it as well. I called WBAB, left a message and at 9 P.M. received a call from them, saying they wanted to do a show, (by phone at my request), on the HSCOA coverup - on Dec 2. I'll mention the info you turned over to HSCOA which was completely disregarded. I'll also give your address on the air. Maybe you'll get some orders for your JFK/King books. I'll try, anyway, to drum up business for you. What more can I do, right? Everyone should read them!! This guy, Gary Mack said that one of the "tramps" arrested in Dallas has been definitely identified. When I sent him CIA doc. #113, I asked him to send me more info on this person, etc. So we'll see! Now I'm getting ready to tape Groden's 2 hour WBAB FM show. I can't wait to do my WBAB show re HSCOA. I've got a lot to say, that's for sure!! I have sent all this info to Sylvia Meagher & E. Sprague tonight as well as to you.

Best regards to you and missus

Ted.
